Summary: When Panda's cousin Melony, who is actually a very famous Everyone Tuber, comes out to visit her cousin and his friends to get away from the paparazzi, Nom Nom hears about here and fears that she may be a threat to his own internet fame, he takes actions, and strikes a deal with her in hopes of decreasing her popularity...but what really happens was unexpected.

Love of Nom Nom

Love of Nom Nom

Chapter 1 â€“ Meet Malicious Melony

Nom Nom, the bears will admit, is quite the pain in the patutty; every time they come across that narcissistic koala, it wouldn't be until the end that they found out he was always playing them.

But despite the annoying internet meme that's always in their lives, the bears were going to have ANOTHR famous internet person enter their lives; little did they know that they were NOTHING like Nom Nom.

Before Panda knew it, his phone suddenly vibrated twice just when he, his brother Grizz and Chloe were all eating their favorite launches made by Ice Bear.

"Who texted you?" Chloe questioned.

"Oh, it's from Melony," Panda happily replied when turned on his phone to check his messages.

"Melony? Is she another one of your exes?" asked Grizz.

"What? Eww, no. Melony's my cousin, and I think you'll like her; I forgot to tell you all earlier, but she's coming out to visit us for vacation, and she just texted me saying she'll be here any

minute."

"Ice Bear wants to know what she's vacating from."

"That's just it; Melony's a-."

But just when Panda was about to reply, there was a sudden knock at the door, in which Chloe got up to get herself. When she opened the door, she was face to face with an anthropomorphic red panda that was just about an inch or two shorter than her, she had sparkly eyes that sang kindness, and there were thick short locks of red hair atop her head.

"Oh, hello. Can I help you?" Chloe asked with a smile.

"Why, yes you can. Is this the Bears' residence?" the red panda asked politely.

"Mel, it's you! Yay!" Panda cheered as he suddenly rushed to the door and picked up his cousin in a big hug.

"Hey, Pan-Pan! How ya been?" Melony laughed while hugging Panda back.

"Wait, YOU'RE Melony?" Grizz asked as he and Ice Bear went up to the front door too.

"That's me," Melony happily replied as Panda put her down.

"Fellas, and Chloe, I'd like you all to meet my cousin Melonyâ€”or as you would all know her better as Malicious Melony," Panda introduced, and that's when both Grizz and Chloe's eyes popped wide.

"You're THE Malicious Melony?! Oh, my gosh! I can't believe I'm actually meeting you in person!" Chloe said while fan-girling.

"Ice Bear is confused."

"Dude, this is Malicious Melony; she's a REALLY famous Everyone's Tuber. She's even better than Nom Nom in my book; man, I can't believe I never noticed that it was actually you at first," Grizz happily explained.

"Ah, it's alright; as fun as internet fame is, I need breaks once in a while, and I've actually heard of Nom Nom, and I honestly don't get how he handles all that paparazzi; it's the reason I came out here to vacate. I knew I could relax with just my cousin and his friends around, but believe me, we're all gonna have a great time while I'm here!"

"Cool, but first off; Panda, why haven't you even told us you have a famous cousin? Second, what IS your opinion on Nom Nom anyway?" Chloe suddenly questioned.

"I wanted to respect her privacy," Panda replied.

"If I'm honest, I do agree that that koala is a HUGE egocentricâ€”but he is some pretty tough internet competition," Melony replied with a smirk.

"But who's ready for a Just Dance party?!" the red panda suddenly shouted, and everyone started cheering, except Ice Bear who only put up his arms.

But little did the girl, the red panda and the three bears know that listening in on the whole conversation was one of Nom Nom's agents, as he was hiding in the recycling bin.

"This is Agent Cody to Nom Nom; we've got a code blue, Sir," the agent said while pressing a button to speak into his ear peace.

><p>Later that night, the bears had put the game Just Dance 2016 in their game system, and it was not the end of Panda's turn when he was dancing to "I Got A Feeling" by The Black Eyed Peas, and he actually scored pretty well.<p>

"Not bad, Panda, not badâ€”but now, it's MY turn," Melony clapped, but she then smirked as Panda gave her the Wii remote, "let's seeâ€¦I'll choose "Circus"â€¦extreme mode!"

Everyone then gasped at that; they all knew that extreme mode was the toughest. But Panda was actually the least surprised.

"Oh, she is a PRO at most games; you should know that from all her let's plays you've watched," Panda chuckled, and that was when "Circus" by Brittney Spears started to play in the game, and Melony was just what Panda said; she was an absolute professional at this game. Every move was perfect, slick and punctual.

But while the bears and Chloe were cheering on their new friend and Panda's cousin were cheering on Melony, they never noticed that Nom Nom and ten of his top agents were waiting outside the cave, as Nom Nom's personal assistant lifted him up to peer through the window in the living room.

"Says I'm competition; yeah, you better believe it, Sister. I'm a threat, and you knowâ€¦whoa," Nom Nom grumbled to himself and glared at Melonyâ€¦but when he saw how beautiful the red panda was when dancing, his eyes widened and his jaw went a little slack, "THAT'S Malicious Melony? She doesn't look malicious at all; in fact she actually looksâ€¦beautiful."

But just seconds after Nom Nom accidentally slipped off into dream land with big sparkly eyes, he soon realized what he was thinking, and he shook his head.

"Oh, what the heck am I thinking? That's just sick," Nom Nom whispered harshly, but he then wore an evil grin on his face, "besides, that little red panda won't be a threat to me much longer."

Meanwhile, Melony was still rocking out the dance moves, and Chloe and the bears were each continuing to cheer her onâ€¦but just when they least expected it, the door suddenly came crashing down, and a bunch of agents came crashing through the windows, shattering if they were glass.

Everyone froze and Melony immediately stopped dancing and hit pause,

but she grinned when she saw Nom Nom standing in his personal assistant's hand.

And an agent would go up to the bears and Chloe and grab them tightlyâ€¦but they left Melony alone.

"Hey there, Nom Nom," Melony calmly greeted.

"Cut it, panda girl," Nom Nom growled.

"I'm a red panda, genius."

"Whatever. You and I both know why I'm here."

"Aww, did you come to finally propose? Where's the ring?" Melony asked sarcastically, and it even made the koala blush.

"Shut up! Listen, there's only room on the internet for ONE big shot, and that's ME! I can't have threats like you making it possible to ruin my career!"

"Oh, so I'm scary now?"

"Stop it!"

"Why should I? You don't have the power to take down my Everyone Tube account, so what are ya gonna do? Actually, you can go back to the Down Under with the Koala Brothers."

Grizz, Panda and Chloe all yelled with amazement in Melony's come-back.

"Ice Bear thought that was intelligent."

Nom Nom was now just blushing because of how stubborn this red panda was beingâ€¦but he then calmed don and smirked with an idea.

"You know what? You're right. But let me ask you this. Do you really wanna be swaddled by your obsessive fans during your vacation?" Nom Nom asked slyly.

"How did you know I was on vacation?!" Melony gasped, and she wasn't being sarcastic this time.

"Ha! I didn't until just now!" Nom Nom laughed in triumph.

"Man, I walked right inta that oneâ€¦" Melony grumbled.

"Anyway, everyone in this room knows that I'M the most popular on the internet between the two of us," Nom Nom added while getting cocky.

"What are you trying to prove here?" Melony growled.

"If I wanted to, I could very easily have my fans tell your fans where you areâ€¦but I can be a fair guy; I only want a couple things from you. First, I want you to admit that I'm better than you. And second, I want to make sure that as long as you're visiting, you are NOT to make any more videos to become more popular."

"And how exactly are you going to do that? What, are ya gonna come live with me or somethin'," Melony joked.

"Actually, it's quite the oppositeâ€”I want you ta come live with me."

"WHAT?!" Grizz, Panda and Chloe all exclaimed in shock.

"Ice Bear can't believe this."

"Yeah, you heard me right; I can provide all your daily needs to live and/or feel comfortable. All you have to do is come live with me. You do that, and I won't rat you outâ€”so do we have a deal?"

"No, don't do it, Mel!" Panda begged.

"Yeah, he's just plying you, like he always does to everyone else!" Grizz added with worry.

But when Grizz said that, it made Melony's ears twitch with realizationâ€¦and an idea.

"Only if you promise to stop bullying my cousin and his friends," Melony pointed out firmly.

"Consider it checked," Nom Nom calmly added.

â€¦

"Ok," Melony sighed while closing her eyes.

"But Melony, what about your internet career? Everyone enjoys your videos! Don't you know that?" Chloe pointed out with worry.

"Yes, I know Chloe, and I'm sorry, butâ€¦I can't risk getting caught by my fansâ€¦not againâ€¦I'll be fine, anyway; I ain't no pansy," Melony began sadly at first, but she started to chuckle when she turned towards her cousin and her new friends, "you guys have been awesome; I'm glad I got to meet you. And Pandaâ€”show Ice Bear some of my videos, please."

"Okâ€¦ok, I will," Panda said while actually starting to cryâ€¦what a baby.

"Are we going or not? And you still have ta tell me that my videos are best," Nom Nom rudely interrupted, but that gave Melony another idea.

"How about we do this? Over the time I spend with you, you have to prove to me that you're videos are better than mine; in other words, I have to actually like them. If you do, then I will admit that you are more popular than me on the internet, and are therefore the best."

"Hmmâ€¦well, I can't go back and say that I'm not fairâ€¦fine. But ya can't try ta leave, am I clear?" Nom Nom asked firmly.

"Yes! Fine. Whatever. But as of this moment, you are not the best on the internet, in my opinion," Melony protested with a smirk.

"Oh, but I will be, Baby," Nom Nom calmly mocked when he tapped his foot onto his personal assistant's hand, making the buff man lover him down to the floor, and the koala walked up the red panda until their faces were only a few inches apart.

"I WILL," Nom Nom repeated in a seductive whisper.

"What do ya want? A medal?" Melony couldn't help but joke.

><p>If I'm honest, I really could've come up with a better plot biegginer; I think this beginning is a tad immature. Then again, aren't most cartoons these days too immature anyway? Man, I miss the days when they aired the old, classic and ORIGINAL cartoons! Disney, Cartoon Network and Nickolodeon are all goin' WAY down hill with the cartoons they make these days! They've even managed to ruin frickin' SpongeBob.

**Anyway, the idea of the plot is KINDA like Beauty and the Beast...kinda. I mean, it'll tell a story of Nom Nom unexpectedly falling in love with a girl who was his enemy to begin with, and she's more or less forced to stay with him, but there's forced or arranged marriage, and there are no lives on the line. **

**But I though Nom Nom should get his own love story, so here ya go. Oh, and if you guys wants, leave a review and/or PM me to tell me if you want your female OC in here to by shipped with any of the bears. I will gladly listen to you ideas. **

Until the next chapter, I'm TRikiD, bye-bye!
